

LADIES NEWSLETTER - AUGUST EDITION

This August must have been the wettest since time began - it certainly felt like it when I was golfing - I can't remember that last time I played when it didn't rain at some point!

Congratulations to Fiona Melrose - The Ladies Champion Golfer of 2019 and commiserations to Rose Thorburn a worthy runner up

Captains Prize Day was touch and go at one point - however never let it be said that the St Boswells Ladies aren't game for anything - it was fantastic that so many of you turned up in your bling and played 12 holes - the sun even made a short appearance. I had a brilliant time and going by the number of empty wine bottles the next day I think everyone enjoyed themselves. Rose was the overall winner of the golf and Linda Ovens was the Dominos and Carpet Bowls champion. The food as always was lovely - thanks so much to everyone for making my day so special

The Senior Ladies Open was a success as usual thanks in no small part to the smooth organisation of the day by Wendy and Sue Gray and thanks also to Mary and Linda for their help with the morning entries. The £100 Miss Designer Golf voucher for the winners was a great hit - hopefully we will be able to secure their sponsorship next year for a different competition. Two ladies from Peebles Golf Club were the winners.

Congratulations to the competition winners this month - who were
LADIES SENIOR SALVER - Fiona Melrose
LADIES CLUB TROPHY No 4 - Rose Thorburn
LADIES MEDAL - Sammy Barrie
LADIES STABLEFORD - Sue Gerard
CLUB TROPHY OVERALL WINNER - Sue Gray

The finalists of the Muriel Ovens Trophy are Irene Hume and Margaret Allen - good luck ladies

We played a home match against Minto Ladies - once again the heavens opened and we trudged in soaking wet without completing 18 holes. However as always matches are played in good humour and we had a lovely supper - thanks to Marilyn for the tasty soup and Sue Gray for yet another yummy cake

Tuesday 3rd September is our last 18 hole competition of the season

The outing to Eyemouth is Friday 6th September- please say a prayer for a dry day - I'm not expecting sun just 4 hours of dry weather - it's not too much to ask for is it?

Tuesday 10th September is the 9 hole Flag Competition

Tuesday 17th September is a 9 hole Tex Mex

Tuesday 24th September is the Vice Presidents competition- 9 holes

We have a match against Kelso Ladies at Kelso on Wednesday 25th September at 12.30pm - entry sheet in ladies changing room

For our End of Season Dinner I've booked The Contented Vine in Kelso for Friday 29th November at 7.30pm - there's a sheet up on the notice board with the menu (it's not a set menu) or visit the website @ www.thecontentedvine.com

That's it for this month Ladies - as always I hope you've found this useful

Sue Brooks
